Easter is a time to celebrate the resurrection of Jesus Christ, which is a symbol of hope and new life. This can be a powerful reminder that even in difficult times, there is always the possibility of renewal and fresh starts.

Consider how this Easter weekend can be a time to reflect on your own life and identify areas where you can embrace new beginnings. Whether it's starting a new project, setting new goals, or simply letting go of old patterns, this is a time to embrace change.

Easter is a time to celebrate and be thankful for the good things in life. Take this opportunity to focus on the positive aspects of your life and to cultivate a sense of optimism. Easter is also a time to connect with loved ones and share in the joy of the holiday. Make an effort to spend quality time with family and friends and to share in the celebrations.

**Aid to the Church in Need** is a charity helping to support the Church in its mission, bringing hope and solidarity to millions of people. In many parts of the world, Christianity remains under huge pressure.

War, targeted violence and discrimination and the effects of economic collapse means that many Christian communities are on their knees. Faith is their rock against adversity.

**Friends of the Holy Land** support the Christian population of the West Bank, Gaza, Israel and Jordan. The focus is on key areas of education, health, employment and housing improvement; providing practical help directly to the most needy and vulnerable of our Christian brothers and sisters.

They work to support the lives and witness of Christians living in the Holy Land through prayer and practical projects, recognising that their presence in the land where Jesus once walked is an important witness to all Christians.
